Subject: Client Website Agreement Order

We are here want a clear letter from client as Pay Order against our services as per our offered value and then after getting the PO and initial amount the process will start from ZMU Web services and we also request the client to mention time duration and Payment-terms clearly so that ZMU Web services will try to deliver its output on or before the committed date. ZMU Web Services will never take any work order without pay order, we always want to safe our brand in market and want our client their work on time, for this we also want clients co-operation too, for complete their process on time because we don't want to waste their as well as our time. Client should give the requirement with a proper study by them self as they have better knowledge of their domain business than us.

While final deal we want our client to contact at: 9990089080 or 9871661728

With Regards -
